MAY 2005

THE TYPE

FF Revolver™ was originally designed for the British comic magazine of the same name. Featuring the strip "Dan Dare" by Rian Hughes and Grant Morrison. After 7 issues, the "Dare" strip was later collected as a graphic novel and the font digitized and released as FF Revolver.

THE DESIGNER

Rian Hughes is known as an illustrator, designer, type designer, and comic artist. He has worked internationally for such clients as Virgin, MTV, Swatch, and Diageo. A retrospective book compilation, "Device: file under: art, commercial," was published in 2003. He currently releases fonts under his own label, "Device Fonts."
